Objective

I am a student at IIT Bhilai, Computer Science Engineering Department, and an aspiring software developer with a strong foundation in computer science and a passion for technology. I am seeking an internship position at **Predusk** to apply and expand my technical skills in a dynamic environment.

Education

IIT Bhilai, Durg   **Oct 2022 − Present**
Bachelor of Technology in Computer Science
CGPA: 8.79
Expected Graduation: June 2026

Skills

- **Programming / Development:** C++, C, Flutter, HTML, CSS, JavaScript, PHP, React, Node.js, Python
- **Tools:** GitHub, Docker, Linux, WordPress
- **Analytical Skills:** Strong quantitative abilities, fast learner, and adaptable
- **Languages:** English (9/10), Hindi (10/10)

Experience

SEO and Digital Marketing Specialist   **2020 − Present**
- Managed over 10+ websites using WordPress, focusing on optimization and user engagement.
- Developed strategies to improve site rankings and visibility, using analytical and problem-solving skills.

App Development   **2021 − Present**
- Designed and developed CasyMag, a case management app made with Firebase backend, using Flutter and real-time data management.

Full Stack Web Development (MERN)   **2023 − Present**
- Developed some websites using React for frontend, Node.js+Express.js for backend. Used Redux for state management.

Projects

Forum Website (PHP, MySQL)   **Sep 2022**
- Built an interactive forum using PHP, CSS, and JavaScript, featuring user authentication and post management.

PHP Compiler   **Mar 2023**
- Created a compiler from scratch using Lex and Yacc.

Resource Sharing Website (MERN)   **Feb 2025**
- I built an interactive resource-sharing website for my college, in which students can get all the materials required for a specific course in a more organized way. This reduces the time for resource hunting.

Achievements and Coursework

Relevant Coursework: Operating Systems, Computer Networks, **Machine Learning**, **Digital Marketing**

Hobbies and Interests

- Exploring the intersection of technology and creativity.
